Oppression of the Negroes-As Outrageon Order-Blacks Imprisoned by Hundreds -Appeals for Mercy Dhregarded-A Mass-Meeting of Colored People Held-Mayor Mayo Removed.

Special Dispatch to The N. Y. Tribune. WASHINGTON, Wednesday, June 14, 1865. Our Richmond correspondent sends the following: The delegation referred to arrived here to night from Richmond for the purpose of visiting Presi-dent Johnson, and laying before him such evidence as cannot fail to convince him of the unheard of cruelties which have been heaped upon them both by the Rebel local police and our own military guards under Gens. Halleck and Patrick. Their affidiavits and testimony are substantiated by Union gentlemen of the highest character, who have been eye-witnesses to what they charge, and who will indorse them. Gov. Pierpout has deposed the Rebel Mayor Mayo, of Richmond, for

his complicity in the negro persecutions there,
RICHMOND, Tuesday, June 13, 1865. The military authorities of Richmond, under the command of Gens. Halleck, Ord and Patrick, in connection with the old Rebel Mayor, bave inaugurated a system of oppression and outrage upon the colored people of Richmond, which has created intense excitement in that city.

It appears that the Provost-Marshal General, Patrick, issued an order requiring every colored man in the city to have a pass signed by the Provost-Marshal, and all those not having the approved pass were to be arrested and imprisoned, and if he had no employment he was rebe hired out for any sum, however insignificant it might be, and in despite his own objections. To assist in carrying out this outrageous order. Gen. Patrick reestablished the old Rebel Mayor, and he set his slave catching and slave whipping police at work, and for several days the Provost guards, acting in conjunction with the police, were engaged in stopping the negroes in the streets, demanding their passes, and besting and imprisoning those who had none. They entered private houses and workshops, and took men from their work, and on the way to church, who had not the prescribed pass, and hundreds were imprisoned who had the neces-
